

The [Education Department](#) and Cal Teach program at the University of California, Santa Cruz (UCSC) invites applications for the position of temporary lecturer in the Education Department to teach courses serving undergraduates in the Cal Teach program. Cal Teach is part of the UC-wide Science & Mathematics Initiative which has the goal to increase the number of UC undergraduate science, mathematics, and engineering majors who pursue secondary math or science teaching careers and are prepared to serve the diverse students of the California K-12 public education system. Cal Teach courses are offered within the Education Department, and they include: EDUC 50A, 50B, 50C, 100A, 100B, 100C, 185L, 197A, 197B, and 197C. The courses are designed to accompany internships in local schools, and instructors must help facilitate coordination and communication among students and staff involved in the Cal Teach program.

Applicants from previous pools must reapply in order to be considered when a position opens. Regular appointments are during the academic year, but accepted candidates will also be eligible for Summer Session appointments, if they become available.
