The Science Communication Program at the University of California, Santa Cruz (UCSC) invites applications for an on-going pool of qualified part-time temporary lecturers in science journalism to teach various graduate-level courses. Course topics include science newswriting and editing, feature writing, profile and essay writing, multimedia storytelling, and investigative and policy reporting. We seek applications from practicing journalists and science writers with experience to teach graduate students in the art and craft of science writing at a national, professional level.

**RANK:** Lecturer

**SALARY:** $7,500 - $8,500 per five-unit course, commensurate with qualifications and experience.

**BASIC QUALIFICATIONS:** Bachelor’s degree in science, English, journalism, or closely related field. Published work in professional science journalism or public outreach.

**PREFERRED QUALIFICATIONS:** Master’s degree in science, journalism or graduate training in science writing. Teaching experience in science writing demonstrated by college-level courses or visiting appointments.

**POSITION AVAILABLE:** As openings occur, appointments contingent upon availability of funding.

**TO APPLY:** Applications are accepted via the UCSC Academic Recruit online system, and must include a letter of application; curriculum vitae or résumé; three samples of relevant published writing; evaluations of teaching (if available); sample course syllabi (if available); and three letters of recommendation*. Documents/materials must be submitted as PDF files.

Apply at [https://recruit.ucsc.edu/apply/JPF00323](https://recruit.ucsc.edu/apply/JPF00323)

Refer to Position # JPF00323-16P in all correspondence.

*All letters will be treated as confidential per University of California policy and California state law. For any reference letter provided via a third party (i.e., dossier service, career center), direct the author to UCSC’s confidentiality statement at [http://apo.ucsc.edu/confstm.htm](http://apo.ucsc.edu/confstm.htm).

**CLOSING DATE:** Ongoing. As this is an ongoing recruitment, applicants must update their files every three years if they are interested in remaining in the pool.

The University of California is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, or protected veteran status. UC Santa Cruz is committed to excellence through diversity and strives to establish a climate that welcomes, celebrates, and promotes respect for the contributions of all students and employees. Inquiries regarding the University’s equal employment opportunity policies may be directed to: Office for Diversity, Equity, and Inclusion at the University of California, Santa Cruz, CA 95064; (831) 459-2686.

Under Federal law, the University of California may employ only individuals who are legally able to work in the United States as established by providing documents as specified in the Immigration Reform and Control Act of 1986. Certain UCSC positions funded by federal contracts or sub-contracts require the selected candidate to pass an E-Verify check. More information is available here or from the Academic Personnel Office (APO) at (831) 459-4300.

UCSC is a smoke & tobacco-free campus.

If you need accommodation due to a disability, please contact the Academic Personnel Office at apo@ucsc.edu (831) 459-4300.
