

UNIVERSITY OF CALIFORNIA, SANTA CRUZ
DEPARTMENT OF MATHEMATICS
On-Going Lecturer Pool

The [Department of Mathematics](#) at the University of California, Santa Cruz (UCSC) invites applications for an on-going pool of qualified part-time temporary lecturers to teach various courses. Course topics include, but are not limited to, areas of algebra, trigonometry, precalculus, and calculus. Outstanding candidates with experience to teach courses in one or more of the above areas are encouraged to apply.

The campus is especially interested in candidates who can contribute to the diversity and excellence of the academic community through their teaching and other assigned duties. Appointments are temporary positions with end dates and generally made one quarter at a time, based on the changing curricular needs of the department.

Regular appointments are during the academic year, but accepted candidates will also be eligible for Summer Session appointments, if they become available.

RANK: Lecturer

SALARY: Commensurate with qualifications, teaching experience, and course workload. Estimated range of \$6,000 - \$9,000 per course.

BASIC QUALIFICATIONS: Master's or equivalent foreign degree in Mathematics or a closely related field at time of application.

POSITION AVAILABLE: As openings occur, appointments contingent upon availability of funding.

TO APPLY: Applications are accepted via the UCSC Academic Recruit online system, and must include: Informative letter of application which includes a description of elementary mathematics courses you are qualified to teach (including algebra, trigonometry, precalculus and calculus); curriculum vitae, teaching statement (clearly outlining your teaching experience and teaching interests); student evaluations (if available), 1-3 evaluations of teaching from three most recent terms (if available), 1-3 sample course materials – syllabi, handouts, etc. (if available), and 4 confidential letters of recommendation*. Applicants are invited to submit a statement addressing their past or potential contributions to diversity through teaching and/or service. Materials must be submitted as PDF files.
