

[Stevenson College](#) at the University of California, Santa Cruz (UCSC) invites applications for a qualified part-time temporary lecturer in Stevenson College to teach the course serving undergraduates hired as tutors in the Learning Support Services (LSS) program. Course topics include, but are not limited to, all areas related to providing first-time LSS tutors with learning theory, practical small group and individual tutoring techniques, communication skills, attaining cultural competence as an educator, effective university-level, discipline-specific learning strategies, and informal assessment and evaluation techniques.

We seek applications from outstanding candidates with experience to teach this required course for new LSS tutors. Learning Support Services provides course-specific academic support for all UCSC undergraduate students. The instructor is responsible for facilitating the coordination and communication among students and staff involved with Learning Support Services. LSS staff will work collaboratively with the instructor to present relevant content and information for the course.
