• **UC Santa Cruz Police Department**
  - Call 911 for emergencies
  - Call 831-459-2231 to report incidents
• Critical initial steps to take when responding to a report of sexual violence
  
  o **Check for personal safety**; if imminent danger, call 911
  o **Check on need for medical attention**; if necessary, call 911
  o **DO promise privacy but do NOT promise confidentiality**;
  o **Do NOT ask too many questions**; it is not your responsibility to investigate and if you ask too many questions, you may compromise any potential investigation
  o Connect victim/survivor to **confidential support resources** – on-campus or off-campus confidential victim advocates or CAPS;
  o **Explain who the need-to-know people are** and that you **must** report incidents to those people (Title IX Officer – with names, Department Chair – without names, Police – without names) and then **report the incident immediately**
