Dear Colleagues:

Re: 2009-10 Salary Scales

The Academic Salary Scales have been updated for 2009-10.

In accordance with the contractual agreement between the UC-AFT and the University of California, the salary rates for Non-Senate Instructional appointees have been increased by the contractually prescribed minimum of a 3% general range adjustment effective October 1, 2009.

In addition, the minimum salary for Postdoctoral Scholars is adjusted to \$38,088 effective October 1, 2009. 2009-10 is the third year of a three-year plan to increase UC's Postdoctoral Scholar minimum salary to the annual level established by the NIH for NRSA Postdoctoral Fellowships and Training Grants. There is no change in the maximum salary.

The Academic Salary Scales are available online at:

Sincerely,
