Re: 2013-14 Academic Salary Plan Implementation

Dear Colleagues:

The University has implemented systemwide salary increases for Senate faculty and non-represented academic personnel. Academic salary scales have been increased by approximately 2% effective July 1, 2013. Eligible academic employees will see the increase reflected in their August 1st paycheck.

Non-senate represented academic personnel are not covered under these salary and scale adjustments. Salary scales for these academics are set by the terms of the bargaining unit contracts.

If you have any questions about the salary adjustment, please contact your divisional academic personnel coordinator.

Sincerely,

Pamela G. Peterson
