Dear Colleagues:

RE: Issuance of Revised CAPM 608.355: Research Associate and Research Fellow

I am pleased to issue revised Campus Academic Personnel Policy 608.355: Research Associate and Research Fellow, effective January 1, 2009.

The revised policy requires that appointments and reappointments to these non-salaried research positions made on or after January 1, 2009, are to be for a specified term not to exceed three years, unless an exception has been granted by the Campus Provost/Executive Vice Chancellor. However, there remains no maximum numbers of years of service in either title.

The revised policy is available on the Academic Personnel Office website under the Academic Policies and Procedures page at:

http://apo.ucsc.edu/academic_policies_and_procedures/cappm/608355.htm.

If you have any questions about this revised policy, please contact your Academic Personnel Analyst.

Sincerely,
