DIVISIONAL DEANS

Dear Colleagues:

RE: Renewal of the UC President's Postdoctoral Fellows Hiring Incentive Program

I am happy to report that the Office of the President has announced that the President's Postdoctoral Fellows Hiring Incentive Program will continue for another three years (2018-19, 2019-20, and 2020-21), and the existing annual cap on the number of hiring incentives has been lifted.

The program provides a five-year advance on faculty FTE to campuses that hire current or former participants from the UC President's or Chancellors' Postdoctoral Fellowship Programs for Academic Diversity into ladder-rank faculty positions.

If you are interested in taking advantage of the hiring incentive, I encourage you to look at the [list of eligible fellows](#) at your earliest convenience. Please keep Leslie Marple (lesliem@ucsc.edu) in the Academic Personnel Office informed of your progress, particularly once a potential hire has been identified, as we are required to report campus progress to the Office of the President.

Guidelines and campus procedures for making a hire under this program can be found at: <https://apo.ucsc.edu/employment/academic-recruitment/PPFHIP/index.html>

If you have any questions or need additional information about the program, please contact Leslie Marple at lesliem@ucsc.edu or x9-3849.

Sincerely,

Grace McClintock
Assistant Vice Provost
Academic Personnel
