ASSISTANT VICE PROVOST GRACE MCCLINTOCK
Academic Personnel Office

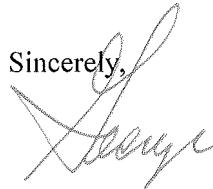

Dear Grace:

Re: Delegation of Authority for Additional Compensation for Lectures and Similar Services

Academic Personnel Manual section 666-18(a) states that honorarium amounts may be subject to negotiation in each case, but may not exceed an amount stipulated periodically by the Provost and Executive Vice President, Academic Affairs (Provost).

On April 17, 2018 the Provost issued an update to the campus limits. Effective immediately, your office is authorized to approve honoraria up to the campus limits set by the Provost in his most recent memo and in any future memos. All other provisions of APM 666 and of the periodic memos from the Provost apply.

Sincerely,

George Blumenthal
Chancellor
