310.240, Guidelines for Review of College Provosts

Dear Colleagues:

I write to issue the revised campus policy on the appointment and review of College Provosts, as noted above, effective July 1, 2016.

As outlined in the call for campus review, the significant changes to the policy are to the composition of the search and review committees, in addition to several technical changes.

Please direct any questions regarding this revised policy to Nancy Furber, Academic Personnel, furber@ucsc.edu).

Sincerely,

Alison Galloway
